“ It is with a heavy heart that we offer our condolences on the loss of your mother. Though her physical presence may no longer be with us, her love and memory will continue to live on forever in our hearts. Upon meeting your mom and dad, we became true friends who shared joys and sorrows. They were there for us when we needed them most. They have always held a special place in our hearts and always will. Even though the loss of your mother makes us very sad, we feel comfort knowing Joan and Bob are together again.

“ As Joan and Bob were our next door neighbors during the 21 years that they resided at Wachesaw, we could never have hand picked a better couple to weather storms, fun and relationships, to live aside within the Plantation. A testament to their quality as a couple was noting their beautiful family when they visited Wachesaw. Joan was a special person, and may she reside in the peace of Heaven.

“ *The Mullally's were such wonderful neighbors. When I was 18 and in a car accident, Mrs. Mullally cae to my rescue and even called my parents who were living in MA, knowing how angry my dad would be. She got them calmed down and became my hero! My folks adored them. Even now I miss them so. RiP in God's arms.*
