“ To all...

*Joan was my neighbor and good friend while she lived in New Jersey on Brookview Lane.*

*We went looking at retirement houses and furniture for the next chapter in her life. We also shared many meals together with good food and conversation. Those times always bring back many happy memories. My deepest sympathies to all.*

“ Jeff,

*Your Mom was a great Cousin and Cousin-in Law. We shared many mutual interests and we did a lot of laughing when we got together. We have fond memories and will think of her often.*
