“ Just found out about my best friend Joan's passing. Now I have been trying to reach her ever since my letters and cards came back, undeliverable, to me. I am now filled with grief about this loss of my amazing friend for 18 years. Trust me, she is with the angels and dancing too, I bet! So sorry to her children but could not get enough info to get in touch. I even forgot Linda's last name..sigh. Prayers will be sent.

*Love Jean Bozek*
