“ *We will remember all the good times we had with Joan, bunko, neighborhood parties, cards and many more good times. She will be dearly missed but we are happy to know that she will not suffer any more. Joan took her illness with much dignity and tried to be up beat as much as possible. She was a special lady and our prayers and love are with you Jim in this difficult time. We are here for you in any way that you need us. Joan was loved and we will miss her fun loving spirit.
