“ *Uncle Jack: My deepest sympathy goes out to you and your family. Aunt Min was a special person and one that I will never forget. She was a huge part of our lives when we were growing up and we will be forever grateful to her. Even though she had no children of her own, she had all of us to fuss over and that she did very well. I am so thankful that she had you in her life to love her and take care of her. You were a wonderful husband and companion to her and I know she loved you very much. You will be in my thoughts and prayers. With Love Your niece, Robin*##imported-begin##Robin Royce Kidwell##imported-end##

“ No matter how old we are, losing a loved one is one of the deepest sorrows a heart can know. But their goodness, their caring, and their wisdom live on...like a legacy of love that will always be with you. Just as Joan once comforted you, may the memory of her love surround you now, and bring you peace.##imported-begin##Judy S. Fink##imported-end##
