“ I treasure the memories that I have when Mrs. Goldy was our Girl Scout leader. We had some great adventures in Troop 104. I'm not surprised knowing that she went on to be so involved as well as, I'm sure, a vital member of the Girl Scout organization. I spent many days at the Goldy home growing up in NJ. As a child, her peanut butter and marshmallow fluff sandwiches were always a highlight for me. Among many other things, of course. Thanks for the memories, Mrs. Goldy.
