“ Margie, Jean & family, You will not remember me but I remember all of you as the most loving family I had ever been around. I saw it each time I visited your home. Your Mom was so friendly and always told me. "Come on in, Jo Anne is in her bedroom." Jo Anne always had good advise for us. She was our friend, counselor and mentor. I will always remember her and look forward to seeing her again in Heaven. May you find comfort in knowing what a special person Jo Anne was to everyone she met.##imported-begin##Chris Olin##imported-end##

“ I am deeply saddened by the death of JoAnne. She was probably the truest friend that I ever had. She was never too busy to listen with a smile. I worked with her for several years at Peoples Federal. JoAnne was always so sweet and kind to everyone. My thoughts are with you Travis. She's doing her favorite dance, the Shag, in heaven now.##imported-begin##Dianne Cartrette##imported-end##

“ I was very sad to hear of Jo Anne's passing. We were baseball Mom's together back in the 90's and became close. “ Jo Anne was always the strong one, the one to help us keep our chins high. Her strength will always remain in my memory, as well as the good times and laughs we had. She put so much thought into all she did and was one of the best bargain hunters I've ever known. I hope that peace will be with her now and hope that her sisters and brother can feel the same. I loved you Jo Anne for everything you were!###imported-begin##Julie Rajotte###imported-end##

“ I am saddened for this loss of JO Anne. I have known her for many years and was a neighbor for the past 14 years. She was a very sweet, loving and kind hearted person. We didnt do really any social things together but being right upstairs and down we knew we were there for one another with hurricanes coming and other stressful situations. I moved earlier in the year and havent been there and so sorry i hadnt seen her lately. I will miss her!!!!###imported-begin##Helen Tetterton Dean###imported-end##

“ Words seem inadequate to express the sadness I feel. Please know your family is in my thoughts and prayers. I had the pleasure of working with Jo Anne for 10 years. She was not only a coworker but a true friend that I could talk to about anything. She was one of the most kindhearted people I had ever met. If I knew one thing about Jo Anne it is that she loved her entire family and always found the good in everyone. I know that you will miss her terribly as will all of her friends. “ I am sad to hear of JoAnne's passing but am confident that I will see her again in heaven. I know this because when we attended Coastal Carolina together in 1972-73, our friend Lynn Dorman started writing to us from Florida about knowing for sure whether or not we's go to heaven. Of course we hoped so but wondered if we really measured up. Lynn came home and shared with us that we could know for sure according to IJohn5:13. Jo and I believed that verse to be true and received the assurance we would spend eternity with the Lord in heaven. Our live paths took different turns and we have lost touch over the years but I will always remember the fun we had in middle School, High School, and college. Jo loved life and I do look forward to catching up with her. I pray that her all of us who knew and love her will be comforted with His peace as we mourn our loss.##imported-begin##Cathie Cooper cabot##imported-end##

“ JoAnne you are already missed so much... I will never forget you and all the talks we had through good and bad times. I love you and your always in my heart.....To her family, I know what a Great Lady we have lost and I am so sorry. I had the pleasure of knowing her for several years at WM and I have missed her everyday since she left. Jo was my person I could go to and tell everything and I think she did me too. Jo was a great person who loved and cared deeply for her family and friends and I'm sure she touched many hearts like she did mine. Although we have lost her I am happy to know she's now in heaven with the family she's missed for many years..... She was and will always remain a true Angel!!!
