“ Joe, I'm not sure if you can here me or know that I am writing to you. I just want you to know just how much I love you. You were one of my best friends, my brother, my brother in christ,my neighbor,like a father to me. I think about you often. I hope to see you in heaven one day. If I only could be as good as you were christ like. My hat is off to you as a roll model for me and lots of other people. You are loved by so many people. Everywhere I go and your name is mentioned,only good things are said about you. I miss you and I miss our talks we had from time to time. I miss that most of all. Joe I love you soooooo much and I will always remember you. I know you are not suffering now and you have a perfect body no more pain of any kind. I remember how much you love God and your prayers always lifted me up and blessed my heart and touched my life. I know how much you loved Nic. He was like your own son. He loves you so much too.
