“ *Becky, I was so very sorry to hear about Perry. I have had computer problems and lost all of my contacts. I have a few in my messenger and I was looking at it tonight and saw where Peggy had texted me and told me about Perry. I could not believe it. I have tried many times when my computer would behave to text you, but I never got a response from you. I know that our Jesus has you in the palm of his hands and will get you through this very sad time. Please call me at 864 579-3924 and give me your number so I can talk with you. Just know that my prayers are with you and your family and I hope you will call me, I want to stay in touch with you! With love, Lynn Fitts Cazallis* ”
