“ *Joann and Family: I am sorry to hear about John. He was a very good friend. I always enjoyed talking to him and was excited about meeting him on the radio lately because I had missed talking to him since you moved down to South Carolina. John was a very valuable member of the Amateur Radio community as well as the Jackson area community. He will be missed especially by me and the other local Hams especially Willis Martin, KD8FZN and Bob Jenkins, KB8TNI. Thanks John, for all the help and the wonderful memories...##imported-begin##John and Penny Rupert##imported-end##*
