“ My condolences to everyone! This was a shock & it shouldn't have happened; doesn't seem right? We were married for 13 years and there are a lot of good memories besides two beautiful daughters. Surely John will look down upon us & help us when we need it; he is in such a wonderful place! God Bless##imported-begin##Fran (Barrow) Corriea##imported-end##

“ *To All of John's Family and Friends: I'm so sorry for your loss. It's a big loss because he was a great man in so many ways. Myrtle Beach PD was lucky to have such an outstanding officer and leader. I was lucky to have him as my lieutenant to train me. I will miss his heart, his ethics, his devotion to me as my caring friend. Prayers to all of you who feel the ache of his leaving. I am happy he is free of any physical limitation and has new life.##imported-begin##Suzanne (Batycki) Ashley##imported-end##*

“ Mr John was always there during our family functions. I could always count on him to have a funny joke to tell and if anyone in my family needed anything he was there, just a call away. I will miss his laughter and visiting him at Christmas time. He has done so many great things for others in his life and now he gets to rest. Our thoughts and prays go out to the family. “ To all of John's family and friends. John and I shared many laughs, stories and good times growing up in the small community of Myrtle Beach. I have nothing but fond memories of those early years and would want the family to know I appreciated his friendship during our school years and after. Warm thoughts from an old friend

“ I've known John since 1979 and he always went out of his way to chat and keep up with my family. He was a hopeless flirt and it always gave a young Police Officer's wife a smile to flirt back. We've lost a good one who knew how to make people feel special just for being themselves.###imported-begin###Vicki Levy###imported-end##

“ I met John while I was working at Coastal Grand Mall when he was a security guard. He would always stop and talk to me. One day I broke a ceramic frog and he was walking by. He teased me and said I was a frog killer. Everytime I would see him thereafter, he would say, "frog killer, frog killer" and we would laugh. After he quit at the mall, I would see him at the Airport Diner. He was a great guy, so sad that he is gone, May he rest in peace.##imported-begin##Darlene Wagener##imported-end##
