“ To the most wonderful uncle in this world. This wonderful uncle is John Branton Sr.. When I was growing up I would spend a lot of time over at his and my aunts house. When my my mom and my sister, and I were in a car accident and my mom had to stay in the hospital for twenty eight days, my Aunt Ann and Uncle John took my sister and I in with no questions asked. He and my aunt were there for me when my mom passed away back in 2009. When I wanted to move back to SC. from NY and had no place to go they took me in and let stay with them until I found my own place. Uncle John also played his guitar and sang for all of us. He loved all of his kids and grandkids, and great-grandkids. Uncle John you are in Heaven with all the angels, and with my mom, can you please tell my mom I said hello and give her a kiss from me. You are going to be missed and I love you so very much and THANK YOU for being there for us, and THANK YOU Aunt Ann for being there for us to.

“ I remember when Henry and Guy first took John to get his hair done. Me and Ann loved it, although I believe it took John a little longer to get used to his new style. John was Oceanside. It never was the same after he couldn't play the guitar. He was a Great Great man. Loved him and I love you Ann. I know him and Guy are celebrating in Heaven right now. Heaven gained another Angel.

“ I remember when he pulled out his guitar and just just, starting singing I saw the light to all us kids and we all joined in like we were all in a chorus. He was always cracking jokes and we could always sit in his lap and just give home love. He never turned any of us down. He was truly the best man I knew he was always papa. He would always be so happy to see all us kids together having a good time at "granny and papas house" A good soul took way too soon. You are forever in our hearts uncle John/papa.
