“ Dear Janet and Family Yesterday I sent an E-mail thru the funeral home and they said they would forward it to you.I won't duplicate what I wrote,but I worked with John at the Hackensack Social Security Office.After 36 at the office I retired over 10 years ago.I came across many employees in my time,but there are only very few I remember.John stood out for his honesty and integrity.He always tried to do what was right.Through the years I wondered how he and the family were doing.I remember you lived in Alpine and on occasion if my memory is correct we shared a Giant football game.My present memory is poor,but those days many years ago are becoming clearer.I hope his last years were good years without pain.I remember seeing him after his operation some years ago at Englewood hospital.He was a good and decent man and I'm sure devoted to his family.I wish you all peace and contentment.Bill Bade###imported-begin###Bill Bade###imported-end##
