“ My name is Johnny Jones from England. I want to share my testimony on how I and my wife were able to adopt our lovely kid from Pastor Paul who we met online. I and my wife love kids so much and we have always thought of adopting 1. When I saw various testimony about Pastor Paul how he had given out children for adoption, I thought it was all fake. But something in me kept on pushing and insisted that I reach out to him. I followed my instinct and reached out to him and told him that I am interested in adopting a child. We did all the necessary paperwork and they gave my kid to their reliable agent to bring for me. This is their email address: Christchurchorphanage@gmail.com and their website is: Christchurchorphanage.blogspot.com I and my wife are saying a big thanks to you Pastor Paul. Contact them now and I assure you that all your heart desires shall be granted unto you and you will smile.

“ We send prayers to this sweet family during these hard days. He was a truly amazing Christian. He loved the Seniors when Grandma Earle was there. I had jury duty with him. Phyllis, special prayers for you...it's hard to lose a spouse. Remember God has your family in the palm of His hand to help you make it through.

“ May God give you comfort and strength in the days ahead. Lindsey was a jovial, friendly, honest Christian man. Causey's store was the only one in our community for most of my childhood, I have many fond memories of The Causey's. For a number of years my daddy's barber shop was in a small space at the end of the store. Daddy cut Lindsey's hair for many, many years.
Love and Prayers!
