There are many in the Causey clan, but this uncle was special. He will be missed. I lived a moment some 48 years ago when he gave this graduating high school senior something to be very thankful for. Being down at the beach with no car, he signed for me to get some wheels to enjoy my stay. That is the kind of person he was. Always saw the good in a person. Another one of the Causey brothers has left us. Rest in peace.
