Tribute Wall

“ My dearest friends, I know that no words could ever ease the pain you are feeling. But trust in God and believe that strength and love will help see you through. You and Charlie are the most amazing people that I have ever known. You have always had so much strength, love and compasion. Tripp was so truly blessed to have you both, just as you were blessed to have such a wonderful little person in your life. God only gives children with special needs to special parents, he was Gods special gift. Tripp was easy to love and so wonderful to spend time with. Please know that he touched so many lives. He taught me to belive in miracles, because he was a miracle. Corbin will have the perfect guardian angel. My prayers are always with you. We will forever love and remember him. I Love You All Crystal###imported-begin##Crystal, Chris, Austin, Tanner & Logan###imported-end##

“ Charlie and Nikki, No person or experience will ever replace the happy days and love Trip gave you. We hope it will be of some comfort to know that you gave him all the love and care possible and that your many friends share in your sorrow. The girls and I grew attached to Trip and will miss him deeply. We understand our loss is so small compared to yours and we know what a shock you have suffered. We wish to express our deepest sympathy and the hope that the kind thoughts of your many friends will make your grief a little easier to bear.
