“ *Dear Chris, Larry and Candy*  
*Our heartfelt prayers are with you during this period of sadness and loss. There are no words to express how very sorry we are. Parents should never have their children pre-decease them. I know the memories you have will sustain you and one day you will be able to smile with remembrance and happiness. But right now your pain is too raw and the loss of Johnny is too great. Surrender to your tears and realize God called him Home for reasons we do not understand. We support you in love and friendship, Mark and Candy*
