“ We want to let you know that you are in our prayers and we are so sorry for your loss...We thought a lot of "Uncle Johnny" as we knew him through Gigi, and are so glad the we had the chance to know such a special man...Although, we live in Virginia now, we still think of your family often with a great amount of love... “ My Mother Syble Cooper and I would like to offer our most sincere condolences on the passing of John. He was a gracious man and a good friend to my Dad and Mother. I have many fond memories of my visits to the beach and spending time with you all. I know how hard it is to lose a loved one as my Dad passed away in March, 2004. Somewhere dip inside of us we realize that those who go before us are in a better place and are no longer suffering, but those words seem somewhat hollow so soon after the loss. God will see you through and you will be in our thoughts and prayers. By the way, I saw that Nancy is living in Columbia. My wife and I moved to Columbia last Novermber to be close to our granddaughter and our daughter and son-in-law too. Please give me a call as I would love to visit with you. May God comfort you and keep you in this time of sorrow. David###imported-begin###David Sizemore###imported-end##
