“ I'll never forget how all of Mr. Gene's bus riders loved Mr. Gene. He always gave the students a dollar for their birthdays, and he gave me one too. I've always kept that as my lucky charm. I'll always think of you as being in a beautiful place looking down on us. I'll miss you, Mr. Gene! Love you forever. Janice Heilman###imported-begin##Janice Heilman###imported-end##

“ It was a pleasure to work with Gene and I'm so sorry to hear of his death. Gene was one of those people you didn't have to worry about and always was eager to help and always was willing to give advise and add his strong moral thoughts and humor! He was a man who told you what he thought even if you didn't agree! He was always kind to my Grandchildren and was a positive influence in there lives. He was proud of his family and talked with pride when he spoke of them. He always gave the impression that when his time was over he would have no regrets! May God give the family strength to go on and live in peace!!###imported-begin##Tom & Joan Carr###imported-end##
