“ I'll remember Bill's support of all of our Boy Scout and OA activities as well as the (often bad) puns he would tell while we were at camp. To this day I still think about one of them regarding Cheerleaders at a football game in Norfolk, VA.

“ One of the last warriors of Hill 881 South. Thanks for tackling me to keep my head down. Never forget 1968. David Lambert

To my dear friend in Boy Scouts and in life, I will surely miss you. Although circumstances in our lives have separated us over the past few years, the memories we shared are etched in my heart will be with me forever. You were such an inspiration to many a young man as you shared the important parts of your life with them and other leaders of Boy Scout Troop 804. Thank you for the impact you had on my sons who considered you their second Dad. May God embrace you in His arms forever.
