“ Fred was an honest sweet man and I feel honored to have known him. I will never forget the nights we all set around playing poker at his parents house. “ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ Fred as I knew him was a wonderful friend and an truly honest man. I had talked to him often on the phone and in person. He sold me my first car and my first new truck and we became fast friends, because of his honesty and straightforwardness. I considered him one of my best friends and he will be greatly missed by me. I have many years of good memories that I can go through because of him. Good bye dear friend!##imported-begin##Andy Lambert##imported-end##

“ It was truly breath taking to hear the news about Fred Tuesday morning. Fred was what made working at Hemingway Motor Co. fun. He always had a smile on his face and a good story to tell. Whether it was about fishing or selling a car he always knew how to spice it up a bit to make listening worth while. I will miss Fred a lot and wish my little boy would have gotten to meet him... he will surely hear stories about him!##imported-begin##Kara Hemingway##imported-end##
