“ *Hi Phyllis and family. It is with great sorrow that I read of the passing of your partner, friend and loving husband, father and care taker of your kitties. I am sorry that we have not seen each other for some time but I think of you often and our visits when my husband Leo was alive. Our laughs over our cats which we loved dearly. All will miss this funny interesting gentleman. Best wishes to all. In the past I have met some of your family. Hang in there Phyllis. Will try to call you in a few weeks. With love to all, Joyce Turco##imported-begin##Joyce Turco##imported-end##*
