“ *Brenda and John, Penny and family-*

I was so sorry to read of Reese's passing in the Daily Advance tonight. I have many fond memories of him at the Boys Club as well as Reese coaching John at the Parks and Recreation Department. We have all laughed many times together! I often think about Reese and "Dandy Don" going toe to toe talking about some crazy athletic event and us all busting out laughing because they both KNEW they were right about whatever had happened. The Helms men were all larger than life and lived life to the fullest. You are all in my thoughts and prayers! My love to you all! Bobbi Veon White

“ *Helms family,*

It truly saddened me today to learn of Reese's passing. As young kids we were briefly neighbors and I remember him well as a football player at Asheboro High School. Reading about his full, rich, and commendable life leaves me with comfort and a sense of pride in having known him. May God's peace and comfort be with you during this time of loss. “ My sincerest sympathy goes out to the friends and family of John (Reese). Losing a loved one is such a difficult thing to deal with. As time goes by, you will begin to realize that as you think of his smiles, his love of his family, his laughter, the pain will have diminished a bit and you'll find yourself smiling again. I didn't know him personally but, having lost someone dear to me, I can empathize with the pain you are experiencing. What comfort such scriptures as John 5:28,29 brought me! You will read there about the promise Jesus gave of resurrecting our loved ones back to life. When he resurrected His friend Lazarus back to life (John 11:38-44) He showed his ability and desire to fulfill that promise. Can you just imagine the joy Lazarus' sisters felt when they held him in their arms once again? This joy we too will feel in the very near future. Until that day comes, we have the promise that God will draw close to those whose hearts have been broken (Psalms 34:18) I truly hope these few scriptures have helped lessen the pain you feel as they had mine.

“ Reese, You were always there for me whenever I needed guidance and support. It was always cool to come up to the river city and come down to the club and see my big brother touching so many young lives. You were a loving father, husband, and grandfather. You were a leader in the community and a great coach who loved the game for the intrinsic values that could be learned. You espoused the values of the coaches who you respected like Dean, Bobby, and Coach K in your everyday life. You realized that those values such as hard work, dedication, and perserverance, were ones that those young people could carry forward with them long after they were through playing the game. I cant believe you have gone. Please watch over me and my family as we go forward. Joan and the boys loved you so much. I know Papa and Mama are glad to have their first born home. You leave a strong legacy my brother and big shoes to fill. We will miss you. I was always so proud to call you my brother. k

“ Rest peacefully Reese as we remember your smile and the laughter and life you brought into the room every time we were together. It truly was a pleasure and privilege to know Reese and the stories he had to tell. I'm selfishly glad it didn't work out for he and Brenda to go work on that yacht with Sinatra (or whichever celebrity that was who made the offer, I'm not sure I remember correctly), otherwise we at Ocean Lakes may not have been blessed with their moving here into our lives! Brenda, I know the heartache must be so heavy, I hope you find comfort in holding Anthony and John close. You remain in our constant thoughts and prayers.

Brenda,

Carl and I are deeply saddened to hear of your loss. We remember Reese fondly from the days you two lived next to us at Ocean Lakes. What good times they were and what good neighbors you were.
