“ Stephanie and me got to know each other our first year of nursing school together, and I had the pleasure of graduating with her and working with her at the hospital until her tragic death. She became a really close friend and someone who I will never forget. We shared a lot of good times together and everyone who knew her loved her. My prayers and sympathy is with the family. I know how much she loved you all, esp her baby. God bless you all.###imported-begin##Casey Valder###imported-end##
