Harry Davidson, thank you for writing. We framed both Chester H. S. team and the Barons' team picture for dad last summer. While going through pictures earlier this month, we found a two inch news clip about a Barons win against the West End Social Club. Barons won in 10 innings; your hit drove our dad in for the winning run. He loved baseball his whole life, and taught all his kids to love the game too. Thank you for taking the time to comment. I hope you see this reply.
Sincerely,
