“ Dear Ellene: Lisa gave me the bad news and I was deeply saddened to hear that John passed away. I have many fond memories of you and John and the "gang" from those early 60's at LHS and after into the 70's. I remember when you and John moved to Columbus, Ohio and Nina and the kids and I drove out there to visit. Little did I know that, years later after you had moved back East, I would myself move to that same area in Ohio. I truly liked John as a friend and wish that I could have spent more time with him in later years. I do have fond memories of trips and family get-togethers where John and I talked a lot. When speaking to Lisa I usually asked about you and John and Fran & Peter to get "updates." I am sorry that I did not have a chance to "renew" some old times with John before this happened, and now it's too late. My thoughts are with you and I am so very sad. May God Bless and comfort you in this time of sorrow. Bob###imported-begin##Robert S. Maroldy###imported-end##
