“ Dear Uncle John, Words cannot describe how I feel now that you are gone from us. I will always cherish our time together whether it was at Caesars in Atlantic City, strolling the boardwalk and eating at the Irish Pub, teaching me how to play 'Let it Ride', searching for the best lobster roll down at the jersey shore or heading up to Connecticut for some more gambling. We always had fun and an adventure especially with Mom, Aunt Betty and Aunt Marilyn. I am so happy you were able to meet George and Samantha. I wish that George and Samantha had more time to spend with you and do all the fun things we did together. You will be truly missed and will be thought of often. Thank you for being a great Uncle. Love,

“ Dear Family of my friend John Martin, I am deeply sorry for your loss as it is a loss to me and many others. I loved that man so much. He always had a smile for me and I knew he loved me right back. He loved his family more than anything and spoke of you guys often. I was honored to be a part of his life and will miss him more than words can ever express. I loved his jokes, sense of humor, and his honest way of saying how he truly felt. Heaven is a happier place with him there! As he looks down upon us I'm sure he would rather we smile than cry. May God wrap his arms around all the family and friends and comfort each of you. And as the wind blows across your face let it be the whisper of Mr John telling you he loves you. If i can do anything please let me know. Hugs with love to my friend's family!###imported-begin##Sandy Sheppard###imported-end##

“ To My Uncle John, Even though we know you are gone from this earth and can not read this, I know you are watching down on all of us and probably laughing with Nanny as she is shaking her cane in the air, as we all play cards and yelling at us "Did we teach you guys anything". You will always be in our hearts and we will always remember all your funny jokes that made us laugh, and all the crazy adventures we had together. Every time Megan & Matt want to go to McDonald's they think of you when we order the "Happy Meal". I will have to explain to them that Uncle John orders Happy Meals in Heaven now. We love you very much and know you will watch over us, to guide us through this crazy thing called "Life". We love you always and you will be deeply missed. xoxoxo Love always, your niece Doreen, and Megan & Matthew###imported-begin##Doreen Sinanis###imported-end##
