“ *Uncle John was an amazing man and a great family man. His life has touched so many. He had a heart of gold. I am thankful for being able to have had him as an uncle and as a godfather. I will always remember my summers with him growing up. All the laughter and the smiles we shared. I am truly blessed for these memories. He is at peace now and will never be forgotten.*##imported-begin##Nicole Tocci-Kristensen##imported-end##

“ God saw he was getting tired and a cure was not to be. So he put his arms around him and whispered "Come with me". With tear filled eyes we watched him suffer and slowly fade away. Although we loved him deeply, we could not make him stay. A golden heart stopped beating, hands put to rest, God broke our hearts to prove to us "HE ONLY TAKES THE BEST". We are deeply sorry for the loss of such a good man. You are all in our hearts and prayers.##imported-begin##Terri and Ronnie Blackwood##imported-end##

“ In memory of a man that I loved very much, There's no way to tell all the lives that he touched. I know he worked hard every day of his life, providing for his family, his child, and wife. I don't think he ever complained, or griped about his day, he just said "Thank Ya Lord", and went about his way. I married this family with all my heart and soul and never saw him angry, always gentle and kind. I've heard all the stories, the funny and the sad, and I know his child thought of him, "AS WORLDS GREATEST DAD". He loved his son, and taught him everything he knew, and if he ever got confused, he'd tell him what to do. He also loved his friends and family all the same, and when he ask for blessings he called their name. I know that you could turn to him if anything went wrong, and he would always tell you, within the Lord stay Strong. He truly loved his family, and their burdens he would carry, and I know he also loves his son and the daughter in-law he chose to marry. He told stories of his grandkids, he loved them all so much, you know he had a way with them, he was their Pop Pop We were so blessed to have him here, and share in his love so free, and I wonder how we'll survive, without him here to see. He is a man of honor that will rise to heaven strong and proud and I know within my heart of hearts that this is what life is all about faith in god Our father, our friend, so much love inside, and as we speak of him today, we speak of him with Pride. To my wonderful father in law, a man that I love, I will find comfort, knowing your in Heaven above. You are so very missed I love you my DADDY your daughter in law or (daughter) one in the same. it is with Honor I carry the HARRISON "name. Love always, your daughter in law
