“ *If this is Mr. John who used to be at Kingston, he was in the room across from my Mom. I've wondered many times how he was doing, particularly since his condition seemed to be rapidly deteriorating the last time we saw him. He was always so nice and friendly when we visited. We enjoyed chatting with him from time to time. We could tell the stories he told were not always correct, but we listened intently regardless. We are sorry for your loss. G. Altman*
