“ Well, he is in this Obama guy. This totally inexperienced fool. I give this fool my full support!!! As I don't want to be hatefull like the Bush haters were. Dad, Jack has been talking like a typical kid in so many ways. Only you would see it, next to me. I am still always going after the school gang to help... but you should hear this kid talk so appropriately!!! Miss you so very ... very... much. Love you.. Kim PS - when is it gonna get easier.... ??????##imported-begin##Kim##imported-end##

“ Hey Dad, I can't help but totally wonder what the heck you would be saying during these elections. I am thinking you would be flipping your lid about the taxation issues Obama is going for. Missing you alot at these political times. Not to mention my "jack" times equally. Please guide me on that alone, forget the politics. I hate seeing my child so sad..... help Dad!! “ Happy 63rd birthday. Went to dinner tonight with Mom, Glen & Paige, then to the boat. We miss you..... I also cleaned up my now 1 year old office and put a lifesaver by your magazine cover. Words can't express my feelings tonight..... it's not getting easier as we were told. I can say that Mom is ok, she has us, and we are there for her. I miss you, love you and want to thank you for all you have done for me, even after you left us. Jack is doing great, and I think it's because your up there calling the shots!!! I made choices I wouldn't have made... but I think your influence made me do it. I love you Dad, and miss you. Kim##imported-begin##Kim##imported-end##

“ Happy Birthday Dad. I miss you so badly. We all do - terribly. We got the offices done literally just today. Wish you were here to enjoy it. I want so much to thank you for the new desk and finally having some organization. I am so glad it's finally done no more boxes. Missed you all day..... but you really didn't like your birthday. We kept Mom busy helping us get organized, and watched old vidoe's of conferences you had. You talked good shhhhh stuff. I am a bit upset tonight --- kept it inside all day, but just before I end my night , I realize I have to get it out. Everyone misses you. We are all coping as best as we can, and Mom is trying so hard. 4th of July was great, we enjoyed Lobsters, clams and a great day. thanks for that too. Wish I could hug you and wish you were here, but I know how powerfull and needed you are up there. That is MY faith and how I cope. Love you, miss you, hugs to you. “ I am so sorry to hear of your loss. It's so difficult to bear the pain of losing someone so very close to your heart. I went through it just last year with my mom. But to know that your loved one is at peace is a blessing from the Lord above. May God keep you and your family in his loving care. “ Our warmest and deepest sympathies go out to the Kuenzle Family. Jack was a warm, kind and unpretentious friend. We cherish our times together and wish there could have been more. The measure of how great a man is can be determined by the love and respect that his children bestow upon him. This truly makes Jack a very great man and we know Jack will be blessed in the life hereafter. We pray for Jack and Judy's wonderful family and may God bless them and ease the pain and sorrow they bare. We all will miss him and always have a place in our hearts for Jack.###imported-begin###Sunny & Tony Rivino###imported-end###

“ Dear Kuenzle Family, We are very saddened over the loss of Jack's battle with this horrific disease. Jack was a good man, an insightful person who loved life and his family. We have learned much from him about what truly matters in this world and these lessons will not soon be forgotten. “ To the Kuenzle Family, Many of us know what it's like to lose a loved one and it is never easy. It's painful and hard to understand. But know this, he will always be with you. In the morning when you wake up you'll feel him with you, when you're having a hard day you'll feel him touch you, when you feel like you can't go on any longer you'll feel him push you. You'll never be alone because he will always be with you, watching over you, protecting you, even though you don't always feel him there, just know, he will always be there. “ Dear Mom and Dad, I love you both so dearly and deeply. I can't thank both enough for being perfect parents and providing us with wonderful lives and so many great memories. You continually give us so much love and guidance. You should be so proud of what you have both have accomplished together for 41 years. Dad, your the strongest Man I have ever met and your strength is in me and all of my brothers and sisters. I am already so lost without you, but I will be alright_____ thanks to how well you taught me to be so very strong. Mom, I am right here for you now, holding you up. Dad is with you, in you and lives on through all of us and your beautiful grandchildren. We can all rest easy now, Dad is safe and with God who better.
