“ I worked with your Dad in 1966 and 1967 at the Myrtle Beach AFB, under a special presidential program for high school students. Five of us girls left school early each day in our junior and senior years and worked from 3:00 to 5:00 and four hours on Sat. He was always such a fine gentle person and I had the most respect for him. He lived a wonderful and long life. You were blessed to have him for all those precious years.
