“ Johnny Mac that grin of yours will surely be missed. Kenny and I have known you pretty much all our lives. I remember it use to be you, Kenny, Tommy hanging out together down in Surfside. You were the best Shagger I knew. Gonna miss dancing with you like when we all use to go out together. Joe is going to miss his brother! We love you! And Cory and Crystal will miss your visits down to stay with them.

“ *This is so sad and hard to believe. He was still a young man. John and I were friends thru a mutual friend before he met Cathe. He was a good disco dancer !! I introduced him and Cathe and soon after along came Cori. He loved and adored that beautiful little girl. You could see the love in his eyes. Just know Cori that even thou he made his choices and lived with them, deep down in his heart he loved you. You can never lose a love like that. You and your children now have a guardian Angel to watch over you. Blessings and love! Joyce*

“ *It is hard to believe that my old friend is gone. It seems like such a short time ago that we were shooting squirrels and ducks in Surfside. I remember all the miles we rode having a great time with no worries, I miss those times and I will miss you Johnny. Dean Guyton*
