“ *My deepest sympathy goes out to my mom and my stepfathers family (Kelly, Kirsten, Eric and their children). My stepfather was a very knowlegable man. I enjoyed my visits with him and my mother over the past several years. Whenever I needed advice I would ask him and he would always give me information and guidance that I needed. Everytime I would visit them in South Carolina we would bring Maryland Crabmeat down and cook Maryland style crab cakes for both him and my mom, needless to say they loved it. One thing I know we had in common is that we both (my stepfather and I) liked HOT WINGS. I know he will be missed but he will always be with us in our hearts and in our minds. May GOD bless this entire family keep them strong during this time of sorrow.
RIP DAD you will be missed! Love Terry*
