Condolences to family & friends of uncle Tyrone. The last time I saw him was at daddy's memorial. I have childhood memories that have lasted a lifetime. May he rest in peace with all the loved ones that went to Heaven before him. Margaret Montgomery-(daughter of Bobby)

“ I regret that I didn't know you better in life Uncle Tyrone, that makes me really sad. I watched the tribute video Goldfinch posted and I know you were a remarkable man. My memories of you when I was younger will remain with me forever. I always loved visits from you, Easter egg hunts and oyster roasts at your house. Those were good times that I will forever keep close to my heart. May God bless you and tell my mom and MeMa I miss them.

“ My condolence goes out to all family members of John. He was very dear friend to me and could always put a smile on face when I was in his presence. One trait of his stands out more than the many he had.....telling you like he saw it....holding nothing back. You always knew where you stood with John. He will be dearly missed by many, myself included. Watch out for me buddy....I know you'll have a pair of wings.

“ You will be missed by many. I always enjoyed your company and intelligent conversation. John, aka "Tyrone" was one of the smartest men I have ever met. One of his favorite saying's was "You don't know what your talking about". He was usually right. Miss ya buddy!
