“ *Dad, I'm thinking about you. You lived a blessed life. I only hope to be as lucky as you have been. You lived a full life and along with my mother, built a strong new arm to our family. I am so thankful that you were given the opportunity to say goodbye to your loved ones and that you did not suffer. Your memory will live with me until my own time runs out. Thank you for being a great father. I will always love you.*
