“ Life is so unpredictable. We will never know the time nor the hour when death come knocking at our doors. John will truly be missed at the Supply Center. He normally comes in from a long week of working at the parks to turn in his timesheet. If time allows, he would sit and talk and other times he would say "hi" and keep moving. My prayers are with the family; especially the children having to deal with the lost of both parents at once.##imported-begin##Ella Davis##imported-end##
