“ Dear Mrs. Foley and family, I am so sorry for the loss of Mr. Foley. He was such a good man and he will be missed. It seems like yesterday that I was playing soccer on "Ralph's" and he was the coach. I also remember his "Giant" winter hat that he loved to wear. He is no longer in pain and I know that he and Matt are going to be watching Giant games together in heaven. God Bless, Danny Kelly###imported-begin###danny kelly###imported-end##

“ Dear Marylou and family: Please accept the condolences from Leda and myself. I still find it difficult to believe John is gone. He was my dearist childhood friend and I loved him and will miss him. Although I had not seen you or John in many years I had always secretly hoped that somehow we would get together. I guess we ran out of time. Please tell his sister Pat that I will always treasure the moments we shared on Vermilyea Ave and I think of John and Anna frequently. Marylou, I want you to know that our prayers are with you and the children and wish you well.##imported-begin##Emil & Leda Sarich##imported-end##

“ Dear Marylou and family, We were deeply saddened upon opening the newspaper this morning and reading of Jack's passing. How can we ever forget our children growing up on Lee Ave and the soccer and baseball games in the circle? Our Matt always enjoyed running in to Mr. Foley, as he called him, about town. They seemed to share a few laughs together and we are confident that they are in a place together doing the same thing. God Bless! Ellen and Ed###imported-begin##Ellen and Ed Kelly###imported-end##
