“ It is with utmost sadness I have learned of John's Passing. For period of twelve years of working with John, I only have kind memories of him and his helpful hand and words, extended to all of his-his co-workers.

It always was a pleasure visiting Washington DC and working with John. I will certainly miss his endearing demeanor and his everlasting smile. he will be greatly missed by all of us.

“ I really enjoyed knowing John when I worked with him. Such a nice, caring person with lots of stories. I worked with him in Washington mid 90's to early 2000's when he was the mechanic for Saudi Arabian airlines. All his aviation knowledge and recollections of his Pan Am days were memorable. He helped many in the industry and will be missed.

“ John was loved. He was my daughter-in-law's father, and I have wonderful memories of times our families spent together. John always had something good to say. His quick smile and wink always made us happy. We are very grateful to have known him and can call him a friend.

John has been a long time family friend and Marge as well. The two of them were like tomato soup and grilled cheese, one half accented the other perfectly. John had the best sense of humor and always had some great jokes to tell. He adored his family especially Marge. The recent addition of the kitties brought John great joy and laughter. There wasn't a soul I know that didn't come away blessed by a visit with John. He will be missed and the loss will be felt by many. Rest now in the comfort of the Lord, John My prayers and sympathies are extended to the entire family. Love, Sheila

“ Uncle John was kind to me. My favorite memories of him were spending time on a houseboat at Lake Powell, helping whoever needed a hand. He had a sharp sense of humor and a great laugh. I always enjoyed having him around.

“ I only knew John for a few years. He was always very pleasant and we shared many moments solving the "problems of the world" while chatting in the street. Great neighbor and he will be missed.

John was a great guy and neighbor. We played bocce and pool together for several years and I got to know him quite well. I never heard him have a bad word about anything. My wife Linda's maiden name was also Phillips and I always teased them that they were cousins. Rest in peace.

John has been part of our lives since military days. John and Marjorie visited on one of their RVING trips in Summerville South Carolina. He still had that big smile I will always remember. So sad to hear of his passing. Great memories will not be forgotten of our teenage years as friends. Rest in Peace my friend. Lots of guys up there to greet you 🙏😊
