“ Kirsten, Brent, John, Kelly and Mom number 2, I remember the first of many birthday parties I went to on Sharon Lane when Kirsten I were kids. It was from that point, that we developed a friendship that has lasted through the years. Family is not defined by your bloodline but by the love you have for the people that are a part of your life. It is that love that makes you my family, and I am grateful to have you all in my life. I will miss John very much. He taught me about how to be responsible for my own future by helping me see the importance of investing in my 401K and to honor my right to vote. My thoughts and prayers are with you all in this time of sadness. I cherish the time I was able to spend with John, and he will remain a part of my memory forever.##imported-begin##Beth##imported-end##

“ To John\\\'s Family Please know you are in our prayers and thoughts. We are here to help in anyway possible. All our love... \\\'"When God sends forth a spotless soul to learn the ways of the earth, A mother\\\'s love is waiting here, We call this wonder, Birth. When God calls home a tired soul, And still a fitful breath, Love Divine is waiting there, This too is Birth, not Death. Anonymous###imported-begin##Connie & Gary Madden###imported-end##
