“ *If there was ever a more committed chef to his/herr craft, it was John, Mr. T. My best memories are sitting with him as he watched endless cookings shows all intended to build upon his pure excellance in the kitchen. I miss John and hope his girls captured his recipes and wondrous spirit.*

“ *Dear Mrs. T, I worked for Mr. T and you for 7 years starting at the age of 13 at the restaurant and learned everything I know about hard work from you. My mother and my brother worked there for few years also. I've thought about you guys through the years and I'm so sorry to hear that Mr. T passed away. I hope this message reaches you. I'm now in California and Mr. T would have been proud to see that I'm now a CEO of a public tech company. If you get this message, please let me know how to get in touch with you. Chun Ki Hong*
