“ John Vasey.....always had the aura of peace surrounding him....."it will be alright "....."this too shall pass".....Dona found a " fountain of comfort" in him, a husband so dedicated to and adoring of his wife. You inherently knew these things simply by the soft spoken tones of his voice. Were you among those who entered his circle? Then , you were raised to royalty as well. The " equalizer", lover of nature, the " complete man", his physical limitations amounting to nothing that really mattered. We will miss you, John. Rest in eternal peace.....Suzanne and Michael Brown

“ Dear Dona,  
We were so very sorry to hear of John's death. I am happy Bill and I were able to visit you and John in your beautiful, paradise-like home in Myrtle Beach. It was such a wonderful environment that must have enhanced John's quality of life a hundredfold. You'll continue to be in my thoughts and prayers.

Donna though we did not know John, he must have been a wonderful person. Anyone who has helped you to be the loving and caring person that you are, must have been special. Taken way too soon in life. Just know that you are loved by so many....John and Bob

“ John, I will miss our talks about music and of coarse your kind words & witty humor. 🤔👍 Often we shared stories of the challenge of being in our chairs and the victories of another day. I admired you so much for your strength and that strength was found in your family who you loved dearly. John, I will keep Rollin until we meet again my friend. 😎🌹❤️ R.I.P.

Much Love & Respect always!,

(I'm posting this photo because it was one of Johns favorite of mine... He loved the fact music drove me to succeed at my dream...to once again do what I loved fixing & building Harps❤️🎵  
Thank you John!) ❤️🦿🎵
