“ Aunt Letha, Keith and JD: My heart is so heavy as I write this because I loved Uncle Dub so much.His pain and suffering is now over and we have to move forward the best we can. But I know he is in a better place and I know he was sad to leave us, but our loss is Heaven's gain! He is with Paige and granddaddy now and he will watch over us. Know that our love,thoughts and prayers have been with you through this whole time and will continue to be. If you need us, we are only a phone call away! We love you!
