Robin, I am so sorry to learn of your precious mom's passing. She was a sweet lady and she and I have had many conversations over the years. I pray for God to wrap you all up in his loving arms and comfort you as only he can do.

“*Robin, I was so sorry to read of your Mother's passing. I remember you having to take her to dialysis. I might be wrong, but I think your Daddy was in the National Guard with my husband, Donald King. I am Jackson King's grandmother. You taught him at First Methodist Daycare probably around 8 years ago. You were such a good teacher! I will be praying for you and your family now and in the days to come. Take care, my friend*

“*I started missing the time I walked out of your hospital room. For the past 12 years, we have done everything together, and for the last 9, I was your right hand man as they say. It's lonely, but I must admit, daddy coming to get you on your anniversary proves what I've known my whole life, love never ends and you two have alot of catching up to you. I love you mama and I will miss you forever.
I love you always,
Robin*
