“ My heart goes out to Ronald and the children and grandchildren, she loved you all so much. My favorite memories of my cousin was being at my Aunt Laura's house and she would be there and no matter what she would be the life of any conversation. I loved her laugh and was so funny. She was a beautiful lady. Love, Shirley "Coot"

“ As Aunt Johnnie's only niece, I grew up in the Atlanta area, so every time we would go visit her in Myrtle Beach, I would look forward because of the beach, but the biggest joy was just sitting and cutting up with her. We would laugh till we cried and our sides hurt. I'm so grateful for every moment, every memory we had and shared. It always makes my heart swell, every time Stephanie will say, "Wow, you look and act just like mom"! There couldn't be a nicer or sweeter compliment paid to me. To know I carry a piece of her with me always, is such a comfort. Aunt Johnnie, you will never be forgotten. I love you with all my heart, and know this is not goodbye, just a short while till we see you again in Heaven. I'm grateful that God gave me you as an aunt. My life was brighter because of you!!

“ We met when Kristen brought me to a famiky function and instantly made me feel as though I had been apart of the family for years. I could tell right away how much her family meant to her. When I visited her in the hospital, amongst everything she was already going through, it was her comforting me. I promised her I'd take care of her granddaughter. That is a lasting promise to thank her for the warmth she shared with me.

“ Johnnie was a huge part of my childhood. Stephanie, you and I, would go to work with her in the mornings during the summer. She'd stop and get us those HUGE biscuits with grape jelly, and then she'd work and we were lucky enough to be able to hang out at the beach, the shops, with her. It was so fun. I am so so sorry for your loss.

“ *Johnnie, We have decades of memories of you that we will fondly reference often. We consider it an honor having had such a wonderful spirited lady like you in our life. Our Mother Trudy just loved you and considered you such a close friend. She spoke of you often always with a smile. My Father Earnest beamed every time he saw you, I think you were one of his favorite people. We always called you "Aunt Johnnie" and loved you dearly. It is now your turn to rest after fulfilling a wonderful life complete with a loving family and many accomplishments. God Bless you always,*

“ Mark and I only had the honour of meeting Johnnie on our one visit to MB last summer. What an honour that was though. Johnnie and Ronald opened their home and hearts to us. Such a beautiful lady and a beautiful soul. I trust that she is at peace with the Lord and now has the perfect vantage point to keep in the loop with all the gossip and happenings! A real time Facebook! Our thoughts, love and sympathies are with everyone she has left behind. Sleep well Johnnie. Love Holly and Mark.xxx
