“ Johnny, we all miss you very much. You are such a wonderful person. Everything was all so sudden and so many people never got a chance to tell you how much you really did mean to them. You were sick for a long time and we are just glad you don't have to suffer anymore. Even though you are not with us anymore you are still in our hearts and dreams. Jason really misses you and speaks of you often, so does Brandon. It makes me sad Hunter didn't get to really know you because he was so young but we will tell him all about you. WE LOVE AND MISS YOU JOHNNY MUNN. R.I.P LOVE YOU FOREVER JASON, ASHLEY, BRANDON & HUNTER DAVIS###imported-begin###Jason, Ashley, Brandon, & Hunter###imported-end##

“ johnny my love, rest in peace. you are gone from this earth, but will remain in our hearts forever. soon our tears will be replaced with laughter as we remember the fun and happiness you gave us. you were so proud of your initials, JAM. you'd flex that tatoos on your bicep and just grin. it didn't take me long to figure out that JAM stood for, "just a mess". johnny, you weren't speeding through life, you were just qualifying. you will be so missed. we'll be together again one day. sadly, ellie##imported-begin##ellie evans##imported-end##

“ I am so sorry for your loss. I can not say that I know how you feel when it comes to losing your child. I have too lost my father and brother to that ugly disease cancer and a lot of really good friends. It is not choosy about who it chooses either. He is in a better place and no longer in pain.
