“ Good afternoon Family,

I wanted to take this time and say thank you. Thank you for supporting my family in this time of need. Yesterday when I was standing around watching everything that was going on I realized I had never been a to funeral that was not military related. One really beautiful thing I saw and would like to share with you is as "we-the family" were standing in the back of the church waiting for the ceremony to begin,I saw for the first time in my life...Jesus who was on the cross was brought down to my God Father as if this was him greeting him at the gates of heaven..saying come my son you are welcome. Although the family stood behind Johnny as we walked down the isle, as would a Father giving his daughter to their new husband, I feel at that moment OUR FAMILY said it was ok. I will never forget my God Father. I am honored and very proud of each of them and will miss you all. Johnny is now in a place where there is no pain, no heart ache and most of all no fear. God bless you all.

“ There are three major events I remember. One, when I graduated boot camp in 1998 Uncle Johnny came to see me graduate. In honor of my mother and and him my very first hand salute was rendered to them in front of the drill field. Another is when I returned from the hospital with my son Andy. Uncle Johnny was the first person to come over and see him. He wasn't afraid to touch him and help him. And of course, watching him cut the turkeys during Thanksgiving. My God Father meant the world to me. The last day we spent together was a wonderful day, and I will always be grateful to him for the courage he showed me. I love you Johnny. Peace be with you in our Lords hands.

“*My heart goes out to the entire family during this time of mourning. In times like this I have always found comfort in Revelation 21:4 "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away." May God comfort and bless you all.*
