“ I was so sorry to read of Johnny's death. My Mom and Dad, Erma and Ira Good, were lifelong friends of Veva and Bob Bush. I have always heard of the "comings and goings" of both Johnny and Rodney. Also, Johnny and my husband Jim Peterson both graduated together from Stonewall Jackson HS. We looked for Johnny at the 50th reunion this last summer. We are so sorry and will keep the Bush family in our prayers.##imported-begin##Rosemary Good Peterson##imported-end##

“ Aunita, \tWe were deeply saddened to learn of Johnny's passing. It seems like only yesterday that we enjoyed the good times on the river and many other occasions with the both of you. We have thought of the both of you many times. \tWe sincerely hope that you have enjoyed your time at the beach. Johnny was always fond of that area and we know that you made plenty of friends and hope you will be able to relax and continue to enjoy the area. \t \tIt is hard to imagine that you have a great granddaughter. None of us are that old HaHa. \tAs you always did, keep putting a pinch of sugar into everything you do and things will work out well. We are sorry that we will not be able to be with you, in person, at the service, but you will be in our hearts and prayers. “ *Loving Through Death by Leo Buscaglia, Ph.D. A short time ago a very special friend died. We had valued and nurtured our relationship for over forty years. We had our ups and downs during that time, but we were determined that nothing would interfere with our ever-growing friendship. I think often of the wonderful, crazy experiences we had together, of the many changes each of us went through and of the deep sharing which bonded us for life. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Though some day we all have to part with those we love, they are not lost. We are always better for having loved. In this way, love transcends even death. To quote Thomas Campbell To live in the hearts we leave behind, is not to die. This poem says it all for me anyway. I'll always remember Johnny B* *Joseph Tyree*
