“ Col. Robinett was a great man. He didn't teach me personally but I was friends with his son, Nicholas. Col. Robinett taught us all life lessons that we will continue to use in our daily lives. Get your rest now. You will truly be missed!

“ We lost someone truly special. He was the best teacher anyone could ask for—kind, always smiling, and full of enthusiasm. He encouraged everyone to be better and gave 100% every single day. His smile was contagious, and he genuinely cared about every student he met. He made a difference in so many lives just by being himself. May he rest in peace with the Lord. ☐❤️✝️

“ My deepest condolences to Mr. Robinett’s family. I graduated from ECHS in 2021, and one of the greatest highlights of my time there was getting to know Mr. Robinett. From the very first day, he made sure I felt welcomed and supported, like I truly had a home at school. During some of the most difficult moments in my life, including losing loved ones, he was there for me and helped me navigate my grief with compassion and understanding. I will always remember his kindness, his passion, and the laughter he brought into the building every day. Mr. Robinett was truly the heart of the school and one of my biggest supporters. I will never forget the encouragement he gave me and the belief he had in me as I began my journey to becoming an educator. His impact on my life will stay with me forever. He will truly be missed.

John was one of my roommates at Clemson University and a fraternity brother in the Pershing Rifles drill team. We shared too many memories to share. We enjoyed Clemson to the fullest. I knew he would make a great soldier and he did that. I visited him a few years back and the good times we shared were revisited. I wished we had seen each other more. I will truly miss Jon.
