“ Lynne, Les and Family - Riki, Tyler, Gavin and Bella,

*My heart goes out to all of you. Please accept my heartfelt sympathies for the loss of Blake. Although no words can really help to ease your grief, just know that you are being lifted up to God in every thought I have and every prayer I whisper.*

*Blake was so sweet. He was kind and loving and unbeknownst to him, not too very long ago his words brought me comfort at a time when I needed them more than he could possibly know. May the peace that comes from the memories shared, comfort you now and in the days ahead.*

*My love to you all,

“ *Remembering when Blake was just a teen, he was going to the same Christian school as Wesley. He was the cutest young man, and very popular... Always had a smile, could make you laugh with his wit, and funny jokes.*

*You will always be in the hearts of so many that love, cherish, and will miss you greatly. Our prayers, love to all those who love Blake so much. There is no distance, or time that can ever separate the love shared... It continues to grow from here to heaven, and one day when Jesus returns, we'll all be reunited forever in eternal bliss. To all the family, and friends, we wish to extend our deepest sympathy, our hearts and our prayers are with you.*
