“ I am so sorry about your loss. Jordan was a great friend. He was one of the best people that i have ever known. I can't remember one day sense first grade where he had miss treated anyone. Everyone loved JOrdan and always will. To Jonathan and Josh your brother always looked at you as friends instead of brothers. Every time that I talked to him he would always talked about you two. To his mother you raised a great son that everyone loved. People ask why it had to be him, but the way I see it is god saw the future for Jordan and needed him there with him. Your all in my prayers. We love, and miss you Jordan.###imported-begin###Beth Cooper###imported-end##
